

The Town of Castle Rock provides funding to replace amenities within existing parks that have reached the end of their useful life. The Parks and Recreation Capital Improvement Plan identifies Butterfield Park as one of the parks requiring renovations. Renovations could include court and playground replacements, irrigation repairs and accessibility improvements. The potential for additional amenities could also be considered through renovation planning.

The Town prepared a survey to assist in understanding community preferences before starting the renovation design process. Once the survey responses are gathered and reviewed, concept plans will be created based on the needs of the park and the feedback received. Additional opportunities will follow to provide further public input on the concept plans and final design. Upgrades will be funded by the Conservation Trust Fund, which is comprised of three sources: Colorado Lottery Funds, Douglas County Shareback and recreation licenses.

Thank you for being a part of this public process and providing your valuable feedback.

#	IF YES, PLEASE COMMENT.	DATE
1	We live two blocks from Butterfield Crossing Park and walk and eat lunch there frequently since moving to Castle Rock in 2012. Since the opening of Phillip Miller Park, Butterfield Crossing Park has rapidly gone downhill. Before, there was an appointed maintenance individual who was frequently doing maintenance there. He was transferred to Phillip Miller Park (which he told us before his transfer) and since then the irrigation is irregular, spray heads that don't function, weeds and grasses in the "wild area" allowed to reach waist and shoulder height before being cut, court lights that don't function, outside water fountain doesn't work, tables and benches rusting, newly planted trees (Spring 2020) left unwatered and 2 of the 5 have already died and been removed with #3 & 4 just about dead and #5 well on its way toward demise.	7/24/2020 10:02 AM
2	Certainly the expected funding will not be what was expected given Covoind19. Hopefully we will cut back in projects given fund shortages!	7/17/2020 8:40 AM
3	what will be upgraded?	7/13/2020 8:42 PM
4	We would encourage something similar to Parrish Park.	7/9/2020 1:28 PM

Q6 What would make Butterfield Park special and unique to you?

Butterfield Crossing Park Improvement Survey

#	RESPONSES	DATE
1	Is keeping the walking paths and trails in good shape. The Pool.	7/29/2020 10:39 PM
2	picnic areas spread out vs. in one spot	7/29/2020 11:49 AM
3	It is a beautiful setting with mature growth	7/28/2020 10:09 AM
4	I love seeing other neighbors of all ages using the park and facilities when we walk through a few times a week. It would be nice to have more community events, however, I feel the most important thing is keeping the park landscaped and maintained so that it can be safely enjoyed by all.	7/27/2020 10:56 AM
5	Good and safe playground equipment ages 1-13. More seating and tables. Shaded areas on the playground and over tables. Accessible pool hours and fees. Splash pad! Food trucks!	7/25/2020 7:25 PM
6	Not sure	7/24/2020 4:47 PM
7	Some or all of the "wild area" could be used for Pagodas with tables. A skateboard park could be built which would probably diminish the use of the empty art platform as a jump item for skateboarders. Dedicated bike paths (unpaved with dips and bumps) could be constructed in that area. Or, even an amphitheater could be built into the east side slope area.	7/24/2020 10:02 AM
8	Pickleball courts Sand volleyball court	7/24/2020 5:13 AM
9	It is a peaceful park to stroll through now and that makes it special and unique. Most of the parks in the Meadows have considerably more playground activities and less area for walking.	7/23/2020 7:54 PM
10	If they built something there of my interest. The park closer to my house has a disc golf course, it would be nice to see more of things like that.	7/23/2020 3:07 PM
11	Shaded areas for picnics	7/22/2020 6:14 AM
12	A great playground	7/21/2020 2:38 PM
13	More trees and landscaping	7/21/2020 6:45 AM
14	Running/walking trails that are NOT a concrete sidewalk. A crushed gravel trail would be much easier on the joints for runners compared to the concrete that is seen throughout town.	7/20/2020 5:33 PM
15	New, bigger and improved playground equipment, exercise area	7/20/2020 5:22 PM
16	A fitness trail or some kind of outdoor gym	7/20/2020 4:51 PM
17	More trees and flowers	7/20/2020 3:53 PM
18	preserving the grassy areas as well as shady spots. Love the existing bird houses and would love to see a couple more... maybe even bat houses out in the prairie grass area. Most of all, the wide open fields and weaving paths make this spot a neighborhood favorite of mine.	7/20/2020 1:23 PM
19	Better grass surface. It's so rough and uneven. And grass grows too thick in spots.	7/20/2020 10:39 AM
20	Keep the existing trails and walkways, add a spectacular playground with lots of shade.	7/19/2020 8:00 PM
21	far from downtown CR, so make it a place I'd want to travel to	7/19/2020 3:13 PM
22	Water feature or Kids splash pad!!!	7/18/2020 3:55 PM
23	The park needs a better playground for our growing neighborhood. The way it is now makes it appear to be an after thought The equipment is old and damaged. There should be a larger area for children to play. Updated equipment, accessible to more children with special needs and how about more shade trees for the adults and parents to gather under to keep watch when they have children playing.	7/18/2020 3:41 PM
24	Shaded areas	7/17/2020 8:26 PM
25	I would love for the tennis courts to be redone.	7/17/2020 3:07 PM
26	A bigger playground. Or another playground. Places to sit, picnic.	7/17/2020 8:02 AM
27	New playground, nice paths, lots of open space to play frisbee/catch, etc.	7/16/2020 3:16 PM
28	Modern feel	7/16/2020 1:07 PM

Butterfield Crossing Park Improvement Survey

29	Unique playgrounds like the playground outside the MAC next to the climbing structure.	7/16/2020 12:11 PM
30	Indoor and/or covered area that residents could book for events, yoga classes, workshops, etc.	7/16/2020 11:06 AM
31	more flowers and vegetation	7/14/2020 1:04 PM
32	Maybe a water feature for kids and dogs to play in. Improved pavilions with a fire pit but most importantly, improved security or night time patrolling to protect the park and anyone visiting or walking through	7/14/2020 10:17 AM
33	games, fun, extra basket balls. concerts	7/13/2020 8:42 PM
34	having concrete 3 wall handball court	7/13/2020 3:04 PM
35	More trees	7/13/2020 1:24 PM
36	updated non traditional playground equipment	7/13/2020 11:40 AM
37	shaded Hammock stations	7/13/2020 9:44 AM
38	I'd like to see "mile markers" for walkers as well as stations where people could do exercises along the walking path (i.e. a pull up station, a balance station) etc... to add cardio or strength training to our walks.	7/12/2020 5:53 PM
39	Remove unnecessary grass (reduce watering needs) and replace with xeriscaped space with gravel walking path. this could be done on either side of the existing paved path	7/12/2020 4:00 PM
40	shaded areas to rest and visit....seating	7/12/2020 2:19 PM
41	I love the fact that the park is less than a five-mile walk from my home. It has been fun to see the different events (swim meets, races, wine and art fest, music events), at the park. I would miss the park greatly if it wasn't there. Wish the pool was included in our association fees.	7/12/2020 10:24 AM
42	a better pavillion, restroom. Also a better changing room/bathroom at the pool. Neither of these are kept clean. Embarrassing when hosting other teams. A better playground.	7/12/2020 8:31 AM
43	Continuing to host the outdoor events and concerts during the summer months.	7/12/2020 7:55 AM
44	Trails, playground, and tennis courts	7/11/2020 9:19 PM
45	When my kids were smaller, the playgroud, pool, and fields for sports filled our summers and weekends. As our kids have grown and moved on to college, we use the trails, come for the summer concerts, and play tennis from time to time. Our kids still meet their friends at the park and hang hammocks from the trees, play basketball, and use the grassy field to play football.	7/11/2020 3:40 PM
46	If you could add a water feature, fountain or small duck pond that would be wonderful!	7/11/2020 1:07 PM
47	Addition of native wildflowers to the unmowed areas. The Meadows used to have beautiful wildflower area, but they have all been lost to development.	7/11/2020 12:06 PM
48	Please include a fitness area with features like at Miller Park	7/11/2020 10:27 AM
49	water feature such as a pond, etc	7/11/2020 7:15 AM
50	I would love to see the tennis courts converted into pickleball courts.	7/10/2020 11:07 PM
51	Walking paths, sense of community, fields for kids practices	7/10/2020 8:26 PM
52	Outdoor art, maybe a sound feature like windchimes, or something kids can interact with. I like the large open spaces.	7/10/2020 6:42 PM
53	A better/bigger playground.	7/10/2020 5:26 PM
54	same concept of lots of open public use space	7/10/2020 3:52 PM
55	Maybe a dedicated stage for music in the Meadows and events?	7/10/2020 3:50 PM
56	Splash pad	7/10/2020 2:54 PM
57	something for teens to do aside from park in the parking lot	7/10/2020 2:30 PM

Butterfield Crossing Park Improvement Survey

58	Different playground equipment, benches oriented toward the mountain view, splash pad, nice landscaping, clean bathrooms, inviting Pavillion, good nighttime lighting, repaved parking lot.	7/10/2020 8:02 AM
59	Fountains that the kids can run through	7/10/2020 6:22 AM
60	A fun new playground! They have such amazing trees around the area so the shade is nice but the playground is old and rundown.	7/9/2020 11:22 PM
61	More picnic areas, upgraded tennis courts	7/9/2020 4:50 PM
62	More playground equipment like Zach Parrish Park (Rock walls, zip line, etc).	7/9/2020 4:28 PM
63	If there was live music there that was not pop & bubble gum.	7/9/2020 3:47 PM
64	shade for the playground. More relaxed seating areas. Places to look out at the beautiful view North and east	7/9/2020 3:41 PM
65	A skate park being added	7/9/2020 3:30 PM
66	More trees and replacement of dead trees	7/9/2020 3:27 PM
67	I love it already. We have made so many memories there as a family. We play tennis and help run the Castle Rock tennis program, and those courts would help the kids that play SO much!	7/9/2020 2:03 PM
68	Ability to play on the tennis courts with restrooms and shade	7/9/2020 1:58 PM
69	Great playground. Walking paths. Open grass fields.	7/9/2020 1:28 PM
70	Better playground	7/9/2020 1:24 PM
71	I enjoy all the space now. Except that we don't use the pool.	7/9/2020 12:13 PM
72	We would love to see the playground and pool areas updated to make spaces more enjoyable for young children.	7/9/2020 11:42 AM
73	We love the clean beautiful spaces. It is important that the park be crept in pristine condition. It would be great if we could keep groups of kids from using the park without proof they live in town. They are loitering, littering, graffitiiing, and setting off fire works daily. Thank you.	7/9/2020 9:07 AM
74	A more upgraded playground with a rock climbing wall or zip line or big slide (like at Bison Park) and an upgraded pool area with a big slide and more fun elements for older kids.	7/9/2020 8:03 AM
75	I would imagine a more vibrant park with more activities And amenities that would attract more people to use the park such as an outside gym or skatepark.	7/8/2020 6:45 PM
76	Concert Pavilion	7/8/2020 6:04 PM
77	I think the park could use a few more trees. Some were recently planted outside the tennis courts, but they are already dead and dying. Trees that died along the path next to tennis court have never been replaced and there are gaps in between the existing trees.	7/8/2020 5:41 PM
78	Batting Cages	7/8/2020 5:22 PM
79	open space, close to my home, and peaceful landscape	7/8/2020 4:15 PM
80	A really nice playground and seating area to watch children.	7/8/2020 2:46 PM
81	not sure	7/8/2020 2:37 PM
82	More color- flowers, artwork, fencing, maybe a nice entrance sign on both ends	7/8/2020 12:31 PM
83	POOL IMPROVEMENT FOR MCA IS 10 YEARS OVERDUE. MCA LIVES MATTER.	7/8/2020 12:04 PM
84	The Butterfield pool and play ground could use a lot of updating, maybe adding some slides and A lazy river at the pool would be fun!	7/8/2020 10:57 AM
85	Pickle ball courts, an exercise area with pull up bars similar to the one at the MAC, keep an artificial turf field and keep tennis courts. Walking paths are important too.	7/8/2020 9:46 AM
86	Model after community parks in Denver (like Washington Park). Some ideas; flower gardens, dirt running trails, more picnic/eating spaces, sand volleyball pits, more reasons to visit Butterfield as a destination park	7/8/2020 7:35 AM

Butterfield Crossing Park Improvement Survey

87	a truly good pool with dedicated lap swim times; opening the pool earlier in May and keeping it open, at least with partial hours, through September	7/7/2020 11:00 PM
88	Add more seating benches and shady trees.	7/7/2020 10:20 PM
89	A unique playground design, one more modern	7/7/2020 10:09 PM
90	Having different benches or water fountains around the area, water fountains for dogs would also be helpful.	7/7/2020 9:55 PM
91	An awesome playground	7/7/2020 9:19 PM
92	To make the part unique requires something unique. I'd rather see a few really amazing amenities than what we have now which appears to be a little bit of everything, but nothing is all that great in an of itself. Some things I've seen in other park areas than would make the park unique include things like a small mountain bike course, an amazingly large and advanced playground area, or an outdoor workout/gym area with outdoor equipment.	7/7/2020 9:00 PM
93	hmm....	7/7/2020 8:31 PM
94	Less landscaping /more natural area. Bouldering wall	7/7/2020 8:04 PM
95	Improve access for walkers with crosswalk on butterfield with lights, signs and crosswalks (not just at parking area) exercise area/space stage/pavilion designated food truck parking bocce ball courts	7/7/2020 6:52 PM
96	Flower garden/xeric garden Water feature Workout equipment Bike skills features	7/7/2020 6:21 PM
97	A water feature. Screaming kids annoy the hell out of me, but even I can't resist one of the splash and play fountains for the summer since a pool is unlikely. I would personally prefer a water feature with more natural elements, but the splash fountain does have wider appeal and I'd rather have that than nothing at all.	7/7/2020 5:43 PM
98	A climbing wall, bigger playground with separate play equipment for smaller kids and older kids	7/7/2020 5:10 PM
99	Larger, safe children's playgrounds	7/7/2020 4:50 PM
100	Garden areas	7/7/2020 4:45 PM
101	Enlarging pavilion	7/7/2020 4:24 PM
102	green well maintained weed free grass throughout the entire park such as the area between the multi-use field and the houses to the west. Also the slopes leading up to the multi-use field.	7/7/2020 4:23 PM
103	disc golf course	7/7/2020 4:22 PM
104	Bigger area for children to play	7/7/2020 4:06 PM
105	Better, more modern covered pavilion with more covered spaces and picnic tables. It could double as a stage for the summer concerts.	7/7/2020 3:50 PM
106	Walking paths/bike paths My kids would love to see a volleyball court or zip line	7/7/2020 3:49 PM
107	A small dog park or open splash fountain or lazy river	7/7/2020 3:26 PM
108	That it's clean and well kept.	7/7/2020 3:15 PM
109	It just needs updating - facilities look really dated. I think a splash pad for kids would be a nice addition. Pickle ball is very popular right now - that might be a nice addition as well.	7/7/2020 3:12 PM
110	Outdoor workout equipment similar to the MAC and bocce ball court	7/7/2020 3:01 PM
111	Open space	7/7/2020 2:58 PM
112	Artistic looking play ground equipment. See this example from a gorgeous park we visited in Auckland, NZ (Myers Park). https://www.aucklandforkids.co.nz/playgrounds/myers-park-playground/	7/7/2020 2:43 PM
113	Better tennis courts	7/7/2020 2:34 PM
114	a nicer pool; or a water area for little kids. the baseball fields are basically a waste of space right now b/c they are so poorly maintained.	7/7/2020 2:32 PM

115	Close proximity to my house, large open fields for my dog, grove of crab apple trees, use the trails through the park to access other open spaces/cycle to my job.	7/7/2020 2:32 PM
116	Have a dedicated stage for the music and other performances. Add on to the pool or add additional features.	7/7/2020 1:49 PM
117	A new playground, pool updates, festival/concert venue update.	7/7/2020 1:25 PM
118	free splash pad during summer or some kind of water element	7/7/2020 12:57 PM
119	It really needs to be updated. Better landscape, better pool facilities, and definitely the tennis courts.	7/7/2020 12:52 PM
120	Fit ground And splash ground	7/7/2020 12:42 PM
121	New (expanded) tennis courts with better amenities like the ones at Bison Park. I've also seen outdoor exercise equipment become more popular, which would be unique.	7/7/2020 12:25 PM
122	Maintain multi-use and openness to the area.	7/7/2020 11:54 AM
123	Cross country groomed trail around park, shady picnic area southeast of the current play area for parents to watch kids, play equipment for older kids.	7/1/2020 5:05 PM

7	Free splashpad	7/24/2020 4:47 PM
8	There is no where to grill hot dogs or hamburgers - permanent butane grills with an easy connection for small butane bottles which patrons would bring to the grills. The basketball courts are heavily used. There should be additional courts. Plastic bags dispenser on the Meadows Blvd. side for dog owners. Benches on the Meadows Blvd. side for those watching play activity on the green between parking and the trees. Poles for hammocks and strap walkers. Additional recycle receptacles on the Meadows Blvd. end of the park.	7/24/2020 10:02 AM
9	Beautification	7/24/2020 5:13 AM
10	The drinking fountain has been defective for years. A park of this size should have more than one drinking fountain also!	7/23/2020 7:54 PM

76	The park currently has no life or culture onto itself. I believe a new attraction in addition to the improvements would be especially important for Butterfield parks future.	7/8/2020 6:45 PM
77	A crosswalk into the park from the other side of Butterfield Crossing. People park all along both sides of the street with all the events held at the park. A flashing crosswalk would be even better as people can't see over the hill as cars approach. This is a safety measure that should be priority.	7/8/2020 5:41 PM

119	Fit ground	7/7/2020 12:42 PM
120	I live next to the park and used to coach there a lot. The entire park is definitely ready for an update. Remove the grass fields and replace them with turf (soccer/flag football) to conserve water. Replace the existing turf with new. Incorporate baseball into the turf (like Bison). Add bleachers/stands. Replace the tennis and basketball courts with concrete (no sport court). Maybe a Pump Track for bikes. Needs a few more "Pet Waste Disposal" stations. Improve the overall aesthetics with landscaping and pavilion/picnic areas. Hope this helps.	7/7/2020 12:25 PM
121	The benches at the tee ball fields need to be repaired. Some have sharp edges.	7/1/2020 5:05 PM

Q8 The Town is grateful to have a widely supported Adaptive Recreation program, and Butterfield Crossing Pool is a hub for many of these activities. Without any nearby facilities that offer an inclusive recreation experience, it seems appropriate that the pool’s adjacent park site could allow for expanded accommodations and offer greater support for such activities. We are interested to hear your thoughts in exploring these opportunities at Butterfield Park. Does the park currently meet your accessibility needs?

3	The current playground is probably for young children age 5 and under. It is in direct sunshine most of the time and that causes the swings and the plastic slides etc. to be hot and burning! I would suggest some kind protection from the sun so the younger children cannot burn their skin! Also there are more exciting types of playgrounds for older children now. Like some of the things at Miller Park which would make the park more exciting for older children.	7/23/2020 7:54 PM

1	Overall the general amenities are nice.	7/24/2020 4:47 PM
2	Butterfield Crossing Park could be so much more. The land use is only about 50% or less and could contain additional facilities for those who are too old for the play equipment but are not ready for the high school age basketball activities. The tennis courts are being used more this summer (2020) than we've ever seen before (possible effect of COVID-19 confinement?). Could there be other multi-use activities for those courts? Better maintenance is essential. Expanding into the unused portion of the park has so many possible options.	7/24/2020 10:02 AM
3	Please consider pickleball courts and a sand volleyball court. Teenagers currently take over the current basketball/inline court. It would be nice to have a place for adult activities. It would be great for the sand volleyball court to be placed behind 4634 Trailside Loop :) An amphitheater would be nice as well for the concerts in the park.	7/24/2020 5:13 AM
4	I understand inclusive play but I would strongly request that the walkways be kept and not replaced with playgrounds since there is a very nice children park just down the street on Meadows Blvd.	7/23/2020 7:54 PM

7	No changes needed.	7/20/2020 5:33 PM
8	I've been to a lot of parks around Colorado and Butterfield is lacking in the creative playground as well as being inclusive.	7/20/2020 5:22 PM
9	none	7/19/2020 3:13 PM
10	We love Butterfield Park, but it definitely could be a lot better! Proper and efficient irrigation is really important, no one wants to play on or sit down on dry and hard grass. A pool upgrade would be nice, but they are very expensive, so an upgraded playground and water feature first would definitely bring up the park's visitation.	7/18/2020 3:55 PM
11	Updating the play area for "all" children would say to our community that we care and we are inclusive. Again, adding more tables or benches for people to sit in the park would be more inviting to all of us.	7/18/2020 3:41 PM
12	I think that's a great idea!	7/16/2020 3:16 PM
13	I love Castle Rock and I love how funds are going to keep this city beautiful and fun.	7/16/2020 12:11 PM

16	I love this park and it would be great if it was more accessible to the differently abled	7/13/2020 1:24 PM
17	no other feedback	7/13/2020 11:40 AM
18	It would be great to see this park have areas for people of all ages (young and old). With the MAC having an area for Xfitters it would be great to see an area designed for adaptive use so those with physical and mental disabilities have a place to use and exercise on their own too.	7/13/2020 9:44 AM
19	I think there should be a greater variety of equipment for people. What about our elders - how about a shuffleboard court or horseshoe pits? Is Pickleball held at the park? (Still rather new to the area.) Currently, not much for elders to do expect walk that doesn't require quick physical movement. Tennis, basketball, field sports, and swimming are great, but not the best options for "grandparents".	7/12/2020 10:24 AM

28	Maybe gazebos or pergola area where you could hold events	7/9/2020 3:41 PM
29	My kids are grown so we don't use the park like we used to in the past for the playground and for sports, so I don't have a lot of opinion for improvement in those areas.	7/9/2020 3:27 PM
30	This isn't something I am very educated on, but I don't think the current playground equipment is great for children with limited physical ability.	7/9/2020 2:03 PM
31	There is no enough parking at the park. Also, the wine testing event is particularly frustrating for those living around the park.	7/9/2020 1:28 PM
32	All space is typically used when we visit so I like that it is used by a variety of people, ages, and groups. It is a great place for teens to go to. There are not a lot of places for teens in Castle Rock (or The Meadows) so this meets a great need.	7/9/2020 12:13 PM

35	I believe a new attraction in addition to the proposed improvements is Critically important in creating a more vibrant park culture at Butterfield. I would recommend An outdoor gym or a skatepark to attract community members.	7/8/2020 6:45 PM
36	My big concern is the safety issue, because there is no flashing crosswalk sign on Butterfield Crossing entering into the park. I don't think a simple crosswalk would help due to the fact that cars heading up the street wouldn't see the crosswalk in time. Many, many people park on both sides of the street for events. There is a hill and people cross unable to see cars approaching. This would help in the crowded events that take place at the park. There is also a well used trail directly across the other side of the street from the driveway entrance. Safe access to Butterfield Park should be paramount.	7/8/2020 5:41 PM
37	My comments have been addressed above	7/8/2020 5:22 PM
38	Maybe add some railing around the park and maybe be some turf for those allergic to grass, adjustable basketball hoops, an area for smaller children, a pool for smaller children, a place for people that would like to bring their pets, more places to rest, maybe some vending machines so people can have things to eat and drink.	7/7/2020 9:55 PM
39	Overall I think the park is great. I am just concerned that the town won't be able to upgrade everything and make everything nice as it appears the list of upgrades is quite long. I'd say focus on the most used areas and make them great instead of just trying to provide an "okay" experience with lots of different things. For example, the roller rink is really neat and unique, but I just don't know how much that is used and that might be better off being removed and instead a better basketball court, maybe with lights, might be a better option.	7/7/2020 9:00 PM
40	Butterfield Park is a nice neighborhood park, try and keep it that way!	7/7/2020 8:31 PM
41	Butterfield would benefit from some doggie bag dispensers.	7/7/2020 6:52 PM

44	Before you start adding amenities for handicap, find out how many people that fit in that situation live in the surrounding area just so you're not wasting money on something where few to none will use it. If the numbers say yes, then by all means do it.	7/7/2020 3:15 PM
45	I don't like loud events	7/7/2020 2:58 PM
46	I would love to see the park updated and become as nice as the other parks in town. This is the park I visit the most because of my very close proximity to it.	7/7/2020 2:43 PM
47	Trails could be more interesting, tennis court shouldn't be the plastic that is currently used	7/7/2020 2:34 PM
48	love this park, happy to see it's getting an update! I do feel the Butterfield pool is	7/7/2020 12:57 PM

disproportionately expensive, given how little is there. Every year we think about buying a membership but then decide not to because it can be used so little hours and really just for splashing and lap swimming.

49	There is a lot of vandals	7/7/2020 12:42 PM
50	What if there was some kind of accessible "nature walk " along the sidewalk that utilizes cellphones and QR code's on posts that people could travel along and at each stop learn something about nature or history of the area?	7/1/2020 5:05 PM
